PERFIL PROFESIONAL

Junior Full-Stack Developer with a strong foundation in Java and JavaScript. Passionate about building scalable web applications and integrating AI solutions. Proven ability to deliver production-ready software independently, with a focus on clean code, Git version control, and containerization using Docker.

EXPERIENCIA LABORAL

Full-Stack Developer (Freelance/Personal Projects)

Self-Employed | 2023 - Present

- Developed and deployed 'El Grano de Oro', a full-stack e-commerce platform with AI-driven recommendations, serving 100% of traffic via Vercel with automated email notifications.
- Engineered a desktop music management application using Java, reducing manual library organization time by 80% through automated synchronization and QR-based mobile integration.
- Built and maintained corporate web solutions, ensuring 99.9% uptime and responsive design across all devices for local business clients.

FORMACIÓN

Higher Technician in Multiplatform Application Development

IES El Majuelo | 2025 - Present

Bachelor's Degree in Industrial Technology Engineering

Universidad de Sevilla | 2022 - Present
