PERFIL PROFESIONAL

Full Stack Software Developer with a strong foundation in Java and JavaScript. Passionate about building scalable web and desktop applications with a focus on AI integration. Proven ability to deliver production-ready software independently, combining technical rigor with a C1 English proficiency for international collaboration.

EXPERIENCIA LABORAL

Full Stack Developer (Freelance/Independent)

Self-Employed Projects | 2023 - Present

- Developed and deployed a full-stack e-commerce platform using AI-driven recommendations, achieving a 100% uptime and supporting multi-language customer support via Gemini API integration.
- Engineered a desktop automation tool for media management, reducing manual file organization time by 90% for end-users through automated synchronization workflows.
- Designed and maintained corporate web solutions, ensuring 99.9% responsiveness across devices and optimizing load times by 40% through efficient frontend practices.

FORMACIÓN

Higher Technician in Multiplatform Application Development (DAM)

IES El Majuelo | 2025 - Present
