jorgejs1911@gmail.com | +34 744 45 13 77 | Bormujos, Sevilla

PERFIL PROFESIONAL

Full-Stack Software Developer with a strong focus on React and Next.js. Experienced in building scalable web applications with TypeScript and integrating complex backend services like Kafka and AWS S3. Proven ability to deliver production-ready code quickly, with a C1 English proficiency for seamless international collaboration.

EXPERIENCIA LABORAL

Full-Stack Developer (Freelance)

Self-Employed | 2023 - Present

- Developed and deployed a high-performance e-commerce platform using Next.js and TypeScript, achieving a 40% improvement in page load speed through optimized rendering.
- Integrated AI-driven recommendation engines and virtual assistants, processing real-time user data to increase customer engagement by 25%.
- Automated deployment pipelines using Git and Vercel, reducing manual release time from 1 hour to 5 minutes for continuous delivery.

FORMACIÓN

Higher Technician in Multiplatform Application Development

IES El Majuelo | 2025 - Present

Bachelor of Industrial Technology Engineering

Universidad de Sevilla | 2022 - Present

HABILIDADES
