PERFIL PROFESIONAL

Full-Stack Web Developer with a strong foundation in building scalable web applications. Passionate about creating seamless user experiences and robust backend systems. Proficient in JavaScript, HTML, CSS, and SQL, with a proven track record of deploying production-ready applications integrated with AI technologies.

EXPERIENCIA LABORAL

Full-Stack Developer (Freelance/Personal Projects)

Independent Projects | 2023 - Present

- Developed and deployed 'El Grano de Oro', a full-stack e-commerce platform using JavaScript and SQL, achieving a 100% uptime and supporting multi-language customer support.
- Integrated AI-driven recommendation engines and virtual assistants, increasing user engagement by 35% compared to standard static web interfaces.
- Engineered a custom desktop application for media management, automating data synchronization via QR codes and reducing manual file organization time by 80%.
