PERFIL PROFESIONAL

Full Stack Developer with a strong foundation in Java and JavaScript, focused on building scalable enterprise-grade applications. Proven ability to integrate AI solutions and deliver client-facing web platforms. Committed to clean code practices and efficient cloud-native deployments using Docker.

EXPERIENCIA LABORAL

Full Stack Developer (Freelance / Personal Projects)

Independent Projects | 2022 - Present

- Developed and deployed a full-stack e-commerce platform (El Grano de Oro) integrating AI-driven chatbots, resulting in a 100% automated customer support workflow.
- Engineered a desktop automation tool for music management using Java and JavaScript, optimizing local file processing for over 500+ daily users.
- Architected professional web solutions for corporate clients, ensuring 99.9% uptime and responsive design across all devices.

FORMACIÓN

Higher Technician in Multiplatform Application Development

IES El Majuelo | 2025 - Present

Bachelor's Degree in Industrial Technologies Engineering

Universidad de Sevilla | 2022 - Present
