PERFIL PROFESIONAL

Junior Software Engineer with a strong foundation in Python and full-stack development. Passionate about building scalable applications and integrating AI solutions. Seeking to leverage expertise in relational databases and modular architecture to contribute to Odoo's ecosystem.

EXPERIENCIA LABORAL

Full-Stack Developer (Freelance)

Self-Employed | 2023 - Present

- Developed and deployed 3+ production-ready web applications using Python and JavaScript, achieving 99.9% uptime on Vercel.
- Integrated AI-driven chatbots using Gemini API, reducing customer support response time by 60% for client projects.
- Designed and managed PostgreSQL databases for e-commerce platforms, ensuring data integrity for 100+ daily transactions.

FORMACIÓN

Higher Technician in Multiplatform Application Development

IES El Majuelo | 2025 - Present

Bachelor in Industrial Technologies Engineering

Universidad de Sevilla | 2022 - Present
