PERFIL PROFESIONAL

Junior Web Developer with a strong foundation in full-stack development and a passion for building scalable applications. Experienced in designing responsive web interfaces and integrating AI-driven features. Proficient in JavaScript, HTML, CSS, and SQL, with a proven track record of deploying functional projects independently.

EXPERIENCIA LABORAL

Full-Stack Developer (Freelance/Personal Projects)

Independent Projects | 2023 - Present

- Developed and deployed 'El Grano de Oro', a full-stack e-commerce platform using JavaScript, achieving 100% uptime and supporting multi-language functionality for international users.
- Integrated Gemini AI API into web applications, automating customer support responses and reducing manual query handling time by 60%.
- Engineered a desktop music management tool using advanced scripting, automating library organization for 100+ tracks per session.

FORMACIÓN

Higher Technician in Multiplatform Application Development (DAM)

IES El Majuelo | 2025 - Present

Bachelor's Degree in Industrial Technologies Engineering

Universidad de Sevilla | 2022 - Present
