PERFIL PROFESIONAL

Junior Full Stack Developer with a strong foundation in building end-to-end web applications. Passionate about creating scalable software solutions using JavaScript, SQL, and modern web frameworks. Proven ability to integrate AI models and deploy production-ready applications with a focus on user experience and performance.

EXPERIENCIA LABORAL

Full Stack Developer (Freelance / Personal Projects)

Self-Employed | 2023 - Present

- Developed and deployed 'El Grano de Oro', a full-stack e-commerce platform serving real users, featuring an AI-driven virtual assistant that reduced customer support queries by 30%.
- Engineered a custom desktop application for music management, optimizing file synchronization workflows and reducing manual organization time by 50% for end-users.
- Built and maintained professional web interfaces for local businesses, achieving 99% uptime and improving client digital presence through optimized SEO and responsive design.
