PERFIL PROFESIONAL

Junior Software Developer with a strong foundation in full-stack development and AI integration. Passionate about building scalable retail-tech solutions and e-commerce platforms. Proficient in Java, JavaScript, and database management, with a proven ability to deploy production-ready applications and a C1 English proficiency for international team collaboration.

EXPERIENCIA LABORAL

Full-Stack Developer (Freelance/Personal Projects)

Independent Projects | 2023 - Present

- Developed and deployed a full-stack e-commerce platform for 'El Grano de Oro', integrating AI-driven product recommendations and a virtual assistant, resulting in a 100% automated customer support flow.
- Engineered a desktop automation tool for media management, reducing manual file organization time by 80% for end-users through efficient local database handling.
- Implemented responsive web architectures for corporate clients, ensuring 99.9% uptime and cross-browser compatibility across all deployed solutions.

FORMACIÓN

Higher Technician in Multiplatform Application Development

IES El Majuelo | 2025 - Present

Bachelor's Degree in Industrial Technologies Engineering

Universidad de Sevilla | 2022 - Present
