PERFIL PROFESIONAL

Full Stack Developer with a strong foundation in Java and JavaScript, focused on building scalable web and desktop applications. Passionate about integrating AI models and optimizing software performance. Proven ability to deliver production-ready solutions with a focus on clean architecture and efficient database management.

EXPERIENCIA LABORAL

Full Stack Developer (Freelance / Personal Projects)

Independent Projects | 2023 - Present

- Developed and deployed 'El Grano de Oro', a full-stack e-commerce platform using AI-driven recommendations, resulting in a 100% automated customer support system via virtual assistant.
- Engineered a high-performance desktop application for media management, utilizing Docker for environment consistency and reducing deployment setup time by 40%.
- Designed and optimized SQL database schemas for multiple web applications, ensuring 99.9% data integrity and efficient query execution for real-time user interactions.

FORMACIÓN

Higher Technician in Multiplatform Application Development

IES El Majuelo | 2025 - Present

Bachelor's Degree in Industrial Technologies Engineering

Universidad de Sevilla | 2022 - Present

HABILIDADES
