PERFIL PROFESIONAL

Junior Frontend Developer with a strong foundation in building responsive web applications. Passionate about creating seamless user experiences using semantic HTML5, CSS3, and modern JavaScript (ES6+). Proven ability to deliver production-ready projects with integrated AI features and efficient DOM manipulation.

EXPERIENCIA LABORAL

Freelance Software Developer

Self-Employed | 2023 - Present

- Developed and deployed 3 full-stack web applications, achieving 100% uptime and serving local business clients with custom responsive interfaces.
- Integrated Gemini AI APIs into web platforms, reducing user support response times by 80% through automated virtual assistants.
- Optimized frontend performance by implementing efficient DOM manipulation and CSS Grid/Flexbox layouts, improving page load speeds by 30%.

FORMACIÓN

Higher Technician in Multiplatform Application Development (DAM)

IES El Majuelo | 2025 - Present

Bachelor's Degree in Industrial Technology Engineering

Universidad de Sevilla | 2022 - Present
