PERFIL PROFESIONAL

Full Stack Developer with a strong focus on building scalable web and desktop applications. Passionate about integrating AI solutions into real-world products. Proven ability to deliver end-to-end software solutions using JavaScript, Java, and modern cloud deployment tools, with a C1 English proficiency for international collaboration.

EXPERIENCIA LABORAL

Full Stack Developer (Freelance / Personal Projects)

Independent Projects | 2023 - Present

- Developed and deployed 'El Grano de Oro', a full-stack e-commerce platform with AI-driven product recommendations, achieving a 100% automated customer support flow via integrated LLM chatbots.
- Engineered a high-performance desktop application for media management, implementing custom WiFi-based synchronization protocols that reduced manual file transfer times by 90% for end-users.
- Architected and maintained professional web solutions for local businesses, ensuring 99.9% uptime and responsive design across all mobile and desktop devices.

FORMACIÓN

Higher Technician in Multiplatform Application Development (DAM)

IES El Majuelo | 2025 - Present

Bachelor's Degree in Industrial Technologies Engineering

Universidad de Sevilla | 2022 - Present
