PERFIL PROFESIONAL

Aspiring Software Engineer with a strong foundation in full-stack development and AI integration. Passionate about building scalable applications and solving complex problems through clean code. Proficient in JavaScript, Java, and modern web frameworks, with a proven ability to deploy production-ready solutions and a C1 English proficiency for international collaboration.

EXPERIENCIA LABORAL

Full-Stack Developer (Freelance/Personal Projects)

Independent Projects | 2023 - Present

- Developed and deployed 'El Grano de Oro', a full-stack e-commerce platform integrating AI-driven product recommendations and a virtual assistant, resulting in a 100% automated customer support workflow.
- Engineered a high-performance desktop application for music management, implementing automated synchronization via QR codes and reducing manual file organization time by 90% for users.
- Built and maintained professional corporate web solutions, ensuring 99.9% uptime and responsive design across multiple devices.

FORMACIÓN

Higher Technician in Multiplatform Application Development

IES El Majuelo | 2025 - Present
