PERFIL PROFESIONAL

Junior Software Engineer with a strong foundation in full-stack development and a passion for modular systems. Proficient in Python, JavaScript, and PostgreSQL, with a proven ability to architect complex applications and integrate AI-driven features. Highly adaptable, C1 English certified, and eager to leverage technical expertise in Odoo's ERP ecosystem.

EXPERIENCIA LABORAL

Full-Stack Developer (Freelance)

Self-Employed | 2023 - Presente

- Developed and deployed a scalable e-commerce platform using JavaScript and AI integration, resulting in a 100% automated customer support workflow via virtual assistants.
- Engineered a custom desktop application for data management, optimizing file organization processes and reducing manual user intervention by 60%.
- Designed and maintained responsive web interfaces for corporate clients, ensuring 99.9% uptime and cross-browser compatibility.
