PERFIL PROFESIONAL

Front End Web Developer with a strong foundation in building responsive, high-performance web applications. Passionate about clean code and user experience, with proven experience integrating AI-driven features and deploying scalable solutions. Proficient in JavaScript, semantic HTML5, and modern CSS, with a C1 English proficiency for international collaboration.

EXPERIENCIA LABORAL

Full Stack Developer (Freelance)

Self-Employed | 2023 - Present

- Developed and deployed 3+ production-ready web applications, achieving 99.9% uptime and optimizing load times by 30% through efficient CSS/JS implementation.
- Integrated AI-driven chatbots using Gemini API, increasing user engagement by 40% in e-commerce projects.
- Automated deployment pipelines for web projects, reducing manual update time from 1 hour to under 5 minutes.

FORMACIÓN

Higher Technician in Multiplatform Application Development

IES El Majuelo | 2025 - Present

Bachelor's Degree in Industrial Technologies Engineering

Universidad de Sevilla | 2022 - Present
