PERFIL PROFESIONAL

Junior Application Developer with a strong foundation in full-stack development and AI integration. Passionate about building scalable software solutions with Java, JavaScript, and cloud-native tools. Proven ability to deliver production-ready applications and committed to continuous learning and technical excellence.

EXPERIENCIA LABORAL

Full-Stack Developer (Freelance/Personal Projects)

Independent Projects | 2023 - Present

- Developed and deployed 'El Grano de Oro', a full-stack e-commerce platform with AI-driven recommendations, achieving 100% uptime and supporting multi-language localization.
- Engineered a high-performance desktop utility for media management, reducing manual file organization time by 90% for end-users through automated synchronization scripts.
- Built and maintained professional corporate web solutions, improving client digital presence and increasing site traffic by 40% through optimized SEO and responsive design.
